

Nippon Life India AIF Management Limited

Stewardship Policy

Effective Date: July, 2022

Version 4.0

I. Background

Securities and Exchange Board of India (SEBI) vide circular number CIR/CFD/CMD1/168/2019 dated December 24, 2019 prescribed Stewardship Principles to be adopted and implemented by the AIF Funds in relation to their investment in listed equities. Accordingly, this Stewardship Policy was approved by The Board of Nippon Life India AIF Management Limited shall be effective from April 01, 2020.

II. Objective and Applicability

We, Nippon Life India AIF Management Limited (NAIF India) is the investment manager for AIF schemes, consider our research and investment activities as integral part of our investment process. We believe fruitful dialogue with investee companies leads to higher corporate governance which ultimately becomes an act of value co-creation between the unitholders and investee companies.

In all our activities, we always fulfill our fiduciary duties and always strive to serve our unitholders' interest to the best of our capabilities.

As a responsible asset manager, we will continue to enhance our capabilities necessary for carrying our stewardship responsibilities and intends to contribute to the development of Indian economy and society through this approach.

This Stewardship Policy applies to investment for all AIF fund schemes in listed equities.

III. Stewardship Principles

Principle 1: *Institutional investors should formulate a comprehensive policy on the discharge of their stewardship responsibilities, publicly disclose it, review and update it periodically.*

Primary Stewardship Responsibilities

Our primary stewardship responsibilities include:

- Monitor and actively engage with investee companies on various matters including performance, corporate governance, material environmental, social and governance (ESG) opportunities or risks, capital structure, etc.
- Enhance unitholders value through constructive engagement with investee companies.
- Vote in the Board and Shareholders meetings and engage with investee companies with a view to enhance value creation for unitholders and investee companies.
- Accountable to unitholders within the parameters of professional confidentiality and regulatory regime.

Discharge of Stewardship Responsibilities

We have formulated the following policies to fulfil our stewardship responsibilities in the equity investment process:

- Our emphasis on “dialogue with investee companies” is at the center of our investment process

- We focus to obtain deeper insight and understand corporate strategies, through detailed discussions with management, interaction with boards, voting in board or shareholders meetings, etc.
- We enhance unitholders' value through regular monitoring and active engagement with investee companies on various matters including performance (operational, financial, etc.), strategy, corporate governance (including board structure, remuneration, etc.), material environmental, social and governance (ESG) matters, capital structure, etc.
- We express our opinion as a responsible investor and exchange opinions in "dialogue with investee companies", which we believe create corporate value, resulting in benefits for both our unitholders and investee companies.
- We take into consideration, the corporate governance practice of investee companies, when undertaking buy and sell decisions.
- We exercise voting on shareholders' resolutions (as per our board approved voting policy), with a view to enhance value creation for shareholders / investors and investee companies.
- We advocate for responsible corporate governance practices, as a driver of value creation.
- We regularly monitor and intervene (wherever necessary) on material environmental, social and governance (ESG) opportunities or risks in investee companies.
- We ensure adequate training to personnel engaged in implementation of these principles.

Oversight of Stewardship Responsibilities

The Stewardship Committee shall ensure implementation of stewardship principles and training to the respective team members on an ongoing basis.

Minutes of the meeting of the Stewardship Committee shall be placed before the Board.

The stewardship committee may decide to avail the services of external agencies and mechanism for discharging stewardship responsibilities would be updated in the policy.

Principle 2: *Institutional investors should have a clear policy on how they manage conflicts of interest in fulfilling their stewardship responsibilities and publicly disclose it.*

Managing Conflicts of Interest

The term "conflict of interest" refers to instances where personal or financial considerations may compromise or have the potential to compromise the judgment of professional activities. A conflict of interest exists where the interests or benefits of NAIF India (including its employee, officer or director) conflict with the interests or benefits of its unitholders or the investee companies.

We have formulated the following policy from our AIF conflict of Interest policy regarding conflicts of interest in fulfilling our stewardship responsibilities:

- **Avoiding Conflict of Interest:** The Access employees / persons of the Company shall undertake reasonable steps to avoid actual or potential conflict of interest situations. In the event of any doubt as to whether a particular transaction would create (or have the potential to create) a conflict of interest, Access Employees / persons shall consult with the Compliance Officer.

- **Identifying Conflict of Interest:** While dealing with investee companies, NAIF India may face situations where conflict of interest may arise, inter alia, in the following instances, where:
 - NAIF India and the investee company are part of the same group.
 - Investee company being a group or associate company.
 - Investee company is a client (unitholder) of NAIF India.
 - Investee company has substantial / material business relationship with NAIF India.
 - The investee company is partner or holds an interest, in the overall business or is a distributor for NAIF India.
 - Any of the group companies or affiliates of NAIF India is a supplier or partner of the investee company.
 - A nominee of NAIF India has been appointed as a director or a key managerial person of the investee company.
 - A director or a key managerial person of NAIF India has a personal interest in the investee company.
 - NAIF India (including its employee, officer or director) is likely to make a financial gain, or avoid a loss, at the expense of unitholder or the investee company.

Above list is inclusive but not exhaustive list of situations where conflicts of interest may arise. For any other situation where conflicts of interest may arise, all stakeholders will strictly follow the procedure of managing conflicts of interest as per this policy.

- **Manner of Managing Conflict of Interest:** The mechanism to eliminate the influence of conflicts of interest in the above situations include following:
 - Board approved personal securities trading policy covering access / designated employees / persons.
 - Board approved voting policy with clear segregation of voting function and client relations / sales functions.
 - NAIF India will not invest in unlisted equity of group or associate companies.
 - NAIF India always seek to ensure that it acts in the best interest of all unitholders.
 - Where a potential / actual conflict is identified, the matter will be referred to the Chief Legal & Compliance Officer and Chief Risk Officer who, if appropriate, will convene the stewardship committee meeting. Record of the decision taken and supporting rationale will be documented in the form of minutes of the meeting.
 - NAIF India will manage conflicts of interest by requiring access employees / persons, stewardship committee members and other personnel involved in implementing this policy to:
 - Avoid conflicts of interest where possible.
 - Identify and disclose any conflicts of interest.
 - Carefully manage any conflicts of interest.
 - Follow this policy and respond to any breaches.
 - Once the conflict of interest has been appropriately disclosed, the Stewardship Committee (excluding the member disclosing conflict of interest) will take the required decisions.
 - As a rule, in all cases of conflicts of interests the voting decisions of NAIF India will be based on the best interests of the unitholders.
 - All Conflict of Interest situation and decision on them by stewardship committee would be uploaded on the website of the AIF.

Principle 3: *Institutional investors should monitor their investee companies.*

Monitoring of Investee Companies

Fund Manager will be responsible for monitoring all the investee companies the NAIF India invests in.

The monitoring will be based on publicly available information, management meetings, sell side research and industry information.

While endeavor would be to ensure at least one meeting with an investee company in a year, there can be investee companies where the management is not accessible or not accessible at appropriate levels or cases where the research team believes that there is no incremental information which is being provided by the management. In such cases, it is possible that the monitoring is through other sources.

Monitoring will include but need not be restricted to strategy and business outlook, financial performance, management evaluation and corporate governance issues, capital structure and key risk areas. Monitoring in areas like succession planning, remuneration, environmental issues will be on a best effort basis.

- **Manner of Monitoring:** We have formulated the following policies regarding monitoring of investee companies in fulfilling our stewardship responsibilities:
 - Fund Manager will be responsible for monitoring of the investee company's business strategy, performance, risk, capital structure, leadership effectiveness and succession planning, remuneration, corporate governance performance, cultural, social and environmental matters, on a best effort basis.
 - Research team may use publicly available information, sell side research and industry information and wherever possible shall engage with the investee companies' through investor analyst calls or analyst meet at least once in a year, to monitor the investee companies.
 - Research team to the extent feasible shall meet the management teams / key managerial personnel of the investee company on a yearly basis and actively participate in investor meetings and general meetings held by the investee company (to which it is invited), through webcast, conference call or other mechanism when possible, which will provide for higher participant / engagement.
 - Where investee company's management is not accessible or not accessible at appropriate levels or cases where the research team believes that there is no incremental information which is being provided by the management of investee company, monitoring will be done through other sources (e.g., third party research, proxy advisory services, etc.).
 - Research team shall strictly adhere regulations and internal policies on prohibition of insider trading while seeking while seeking information from investee companies (and any other source) for the purpose of monitoring.

Principle 4: *Institutional investors should have clear policy on intervention in their investee companies. Institutional investors should also have a clear policy for collaboration with other institutional investors where required, to preserve the interest of the ultimate investors, which should be disclosed.*

Active Intervention in Investee Companies

Concerns may arise with respect to the investee companies from time to time mainly on account of insufficient disclosures, non-compliance to regulations, performance parameters, governance issues, corporate plans / strategy, corporate social responsibility, environment and social matters.

We have formulated the following policies regarding intervention and escalation by NAIF India in investee companies in fulfilling our stewardship responsibilities:

- **Applicability:** NAIF India shall intervene in the acts / omissions of the investee company, where:
 - In the opinion of NAIF India any act / omission of the investee company is considered material on a case to case basis, including but not limited to insufficient disclosures, inequitable treatment of shareholders, non-compliance with regulations, performance parameters, governance issues, related party transactions, corporate plans / strategy, CSR and environment, or any other related matters.
- **Intervention:** The decision for intervention shall be decided by the Stewardship Committee on a case to case basis based on all available facts of investee company at that point of time. NAIF India may consider intervening in matters, if in the reasonable opinion of the Stewardship Committee, the issue involved may adversely impact the overall corporate governance atmosphere or NAIF India in the interest of the unitholders.
- **Intervention and Escalation:** NAIF India intervention and escalation policy is as follows:
 - Engagement: Research team shall take all reasonable steps to engage with the investee company's management to resolve any concerns including steps to be taken to mitigate such concerns.
 - Re-engagement: In the event the management of the investee company fails to undertake constructive steps to resolve the concerns raised by investment team within a reasonable timeframe, research team shall take all reasonable steps to re-engage with the management to resolve concerns.
 - Escalation: In case there is no progress despite the first two steps, research team shall escalate the matter to the stewardship committee. If the stewardship committee decides to escalate, research team shall engage with the board of the investee company (through a formal written communication) and elaborate on the concerns. Research team may also consider discussing the issues at the general meeting of the investee company (either called by the investee company or requisitioned by NAIF India).
 - Reporting to AMFI/AMFI Committee(if any): If there is no response or action taken by the investee company despite the first three steps. NAIF India may approach the relevant authorities such as AMFI.

In all cases of engagement with the management and / or the Board of Directors of an investee company, all communications and discussions are to be conducted in private and confidential manner. The objective of the interactions is to play a constructive role in enhancing the value of the investment in the equity of the investee companies to benefit the unitholders.

In case NAIF India intervention is not successful (either fully or partially), it will not automatically result in NAIF India being required to exit its investment in the investee company. The research team, under the direction of the stewardship committee will take a decision based on then existing environment and expectations.

Collaboration with other Institutional Investors

In circumstances where NAIF India approach to engaging management of investee companies is not achieving the required level of discussion or success, or when shareholder value is at risk to a sufficient degree, NAIF India may undertake collective action, subject to it being in the best interest of our unitholders and there being no legal or regulatory obligation prohibiting us from so acting.

NAIF India may consult with other institutional investors or with other formal or informal groups as appropriate. The decision to collaborate with other institutional investors on specific matters will be judged on a case by case basis by the research team in consultation with the stewardship committee.

We have formulated the following policies regarding collaboration with other institutional investors in fulfilling our stewardship responsibilities:

- NAIF India shall consider collective engagement with other institutional investors on a general basis and in particular, when it (NAIF India) believes a collective engagement will lead to a higher quality and / or a better response from the investee company.
- NAIF India may approach, or may be approached by, other **Asset** Managers, including insurers, mutual funds, or other type of shareholders to provide a joint representation to the investee companies to address specific concerns.
- NAIF India shall also, where permitted, collaborate with other shareholders, professional associations and / or regulators such as AMFI, SEBI, IRDA, Pension Fund Regulatory and Development Authority and other policy makers to solicit views.
- An illustrative list of matters which require collaborative engagement may include appointment or removal of directors, executive remuneration, change in the nature of business, mergers and acquisitions, divestment, matters dealing with inequitable treatment of the shareholders, and related party transactions.
- NAIF India shall determine individually its position on any issue requiring collaborative engagement and shall not act or be construed as acting as a 'person acting in concert' with other shareholders.
- When NAIF India will have reasons to believe that collaborative action would be an effective means by which investors can exercise appropriate influence, NAIF India will willingly initiate action or support other investors' actions.
- In taking collaborative action NAIF India would be cognizant of legal and regulatory requirements, including on market abuse, insider trading and other related regulations and / or internal policies.

Principle 5: *Institutional investors should have clear policy on voting and disclosure of voting activity.*

Voting and Disclosure of Voting Activity

To protect and enhance wealth of our unitholders and to improve governance of the investee companies, we take our own voting decisions in the investee companies after in-depth analysis. We consider the exercise of proxy voting rights as one form of "dialogue with investee companies" to fulfil our stewardship responsibilities.

We make decisions regarding exercising proxy voting rights in accordance with our Board approved Proxy Voting Policy (available on our website), following consultation with the proxy voting committee.

Our Board approved Proxy Voting Policy provides:

- The mechanism of voting.
- Guidelines on how to vote on certain specific matters / circumstances including list of such possible matters / circumstances and factors to be considered for a decision to vote for / against / abstain.
- Constitution of proxy voting committee.
- Details of proxy advisory services which we use along with their scope and extent to which we rely upon / use recommendations made by them.
- Guidelines on matters related to conflicts of interest.
- Disclosure of voting for every proposed resolution in investee companies, i.e., For, Against or Abstain with rationale for voting and the manner and frequency of disclosure on the website of the NAIF India.

We have formulated the following policies regarding voting and disclosure of voting activity in fulfilling our stewardship responsibilities:

- We will exercise our voting rights and vote on all shareholder resolutions of investee companies, as may be deemed necessary in the interest of unitholders.
- We will vote against resolutions which are not in the interest of unitholders and / or not consistent with our voting policy.
- While voting we will also consider several factors, including recommendations made by our empaneled proxy advisor.
- All voting decisions will be made in accordance with our Board approved Proxy Voting Policy, which is available on our website.
- We will disclose on a quarterly basis all voting decisions for every proposed resolution in investee companies, i.e., For, Against or Abstain with rationale for voting decision on the website of the NAIF India.

Principle 6: *Institutional investors should report periodically on their stewardship activities.*

Periodic Reporting on Stewardship Activities

We are committed to providing transparency on our stewardship and voting activities. We will report our stewardship activities annually via our website, as per the stewardship code prescribed by SEBI vide circular number CIR/CFD/CMD1/168/2019 dated December 24, 2019.
